

**Truman College Tutoring Center (L129)  
Fall 2010 Schedule**

**August 23, 2010 to December 8, 2010**

**<http://www.trumancollege.cc/studentservices/tutoring/currentschedule.pdf>**

- **Welcome to the Tutoring Center of Truman College!**

All schedules are subject to change. Students may make appointments by going to L129 and signing in at the reception desk, calling the reception desk (**907-4785**), or calling the coordinator, Anthony Johnston (**907-4790**). Walk-ins are welcome and encouraged, but we cannot guarantee appointments unless you sign in. Please direct questions and comments to Anthony Johnston. You may leave messages for tutors by calling 907-4785.

- **Setting up an appointment is easy!**

- 1. Find your Subject Area**

Look at the course list and find the subject area you want for tutoring. Once you know the tutors name, find the tutors schedule on the Tutors Availability List. Choose a tutor based on the day and time you prefer.

- 2. Find the Tutor's Sign-In sheet in the Binder**

Once you have located a tutor, date and time, fill out your first and last name and class number in the appropriate black binder. Please make sure that you read the course sheet on both the schedule and the tutor divider sheet located at the beginning of each tutors sign-in sheets located in the black binders, carefully to make sure that you are signing up with a tutor that is qualified to assist you. NOTICE that there are two binders: they both alphabetically list the tutors signing sheet by the tutor first name. Binder one is for tutors A thru G and Binder 2 is for tutors H thru Z. **YOU MAY SIGN UP FOR 1 TUTORING SESSION FOR EVERY CLASS FOR WHICH YOU ARE REGISTERED.** (Example: If you are registered for 3 classes, you may sign up for 3 hours of tutoring per week.)

- 3. Fill Out Sign-In Sheet**

Fill out an appointment reminder and, keep this for yourself, as a reminder of the appointment that you have just made. IF for any reason you are not able to keep your scheduled appointment then please call the number located on the reminder and inform the tutoring center of your cancellation. Please be courteous to other students who may be seeking to set up an appointment. If you are not able to keep your appointment, call so another student can have that time slot! You have a 10-minute grace period to be late for an appointment. After 10 minutes your appointment will be open to any walk-in who wants it.

## COURSE LIST

Look for the course that you have and find the corresponding tutor
